About Library

e-Granthalaya A Digital Agenda for Automation and Networking of Government Libraries - is a Digital Platform developed and maintained by **National Informatics Centre**, Ministry of Electronics and Information Technology, Government of India. Under the platform, NIC Provides Library Management Software with Digital Library Module and Cloud Hosting facility to Government Libraries on request basis. The Software is a Cloud Ready Application and uses **PostgreSQL** - an Open Source DBMS as back-end solution. The Software is multi-lingual, UNICODE compliant, provides an online data entry solution and compliance with library standards.
