Response –

Our institution, in its working ensures complete transparency in all its functions. We undertake the following measures in the various fields of work to ensure transparency:

1. Financial Functions:

In the office, we have computerized financial account automation software system which has been activated since 2010 to ensure transparency in financial functions. We conduct internal audit from the state audit officers and submit it to the state audit Office.

For ensuring transparency in purchase, we have a purchase committee. After receiving requirements from the concerned department, the university published tender in the daily newspaper and scrutinized the quotation. The required items are purchased through the purchase committee.

Financial transaction is done through the Cheques and RTGS facilities. Daily Fee Collection is credited in bank account regularly. Cashbook, Ledger Book and Vouchers File are maintained. University has joint bank accounts with the signature authority of the finance officer. All the bills are paid only through the NEFT & RTGS.

2. Academic Functions:

The university has constituted different committees for smooth academic functioning i.e. IQAC, Academic Audit Committee, Admission Committee, Examination Committee and Time-Table Committee. The main responsibility of these committees is to ensure transparency in academic functions in addition to the heads of the Faculty and Departments. Admission process is completely transparent. Merit lists are displayed on notice board and university website. The reservation policy is followed as per the government norms.
